

## REMARKS

The Examiner's thorough review and allowance of the instant application and claims is appreciated.

The claims have been amended to address formal issues without changing the scope thereof as per an agreement with the Examiner, explained more fully by the Interview Summary below. No new matter was added.

### Interview Summary

The undersigned spoke with the Examiner on June 25, 2008 at approximately 5:30 EST and the Examiner agreed to approve an amendment under 37 C.F.R. 1.312 eliminating the word "are" from claim 5 and reverting claim 9 to depend from claim 1 as these changes do not change the scope of the claims.

Accordingly, entry of this amendment is respectfully requested.

Respectfully submitted,
